Dogs at School Policy 2022

Help for non-English speakers

If you need help to understand the information in this policy, please contact the school office on 51365568.

Rationale:

The purpose of this policy is to explain to our school community the rules and procedures we have in place in relation to dogs attending our school grounds.

Belief Statement:

Morwell Central Primary School is not a public place, and the Principal has the authority to permit or decline entry to school grounds and impose conditions of entry.

Implementation:

Pet dogs

Whilst Morwell Central Primary School understands that many families in our school community keep dogs as pets, to ensure that our school remains a safe and inclusive place for everyone, pet dogs are **not permitted** on school grounds under any circumstances.

Our school community is diverse, and may include people that are allergic or uncomfortable around dogs. We are also conscious of the health hazards that may be posed by dogs. We ask that families please leave their pet dogs at home or safely tether them outside school grounds when attending our school or school events.

Stray dogs

Unaccompanied or stray dogs sighted at our school should be reported immediately to School staff who will contact municipal authorities and/or Victoria police for assistance in managing and removing a stray dog from school grounds, and ensure staff and students remain safe at school.

Assistance Dogs or Therapy Dogs

Morwell Central Primary School understands its obligations under the *Disability Discrimination Act 1992* (Cth) and the *Equal Opportunity Act 2010* (Vic) and will make reasonable adjustments for members of our school community with a disability who require an 'assistance animal' to help alleviate the effects of their disability or who have been trained as a therapy dog to support students. Assistance animals or therapy pets are therefore permitted to attend our school with their handler. Our school Principal can lawfully ask a person to produce evidence that an animal:

- Is trained specifically to assist a person alleviate the effects of a disability (eg seeing eye dogs)
- Meets standards of hygiene and behaviour appropriate for a school environment.
- Has been trained and approved as a therapy dog.

We understand that in some circumstances, students may require an assistance animal to attend school to help them to participate in their educational program. Morwell Central Primary School will consider a request by a student with a disability to allow an assistance animal to attend school with them on a case-by-case basis.

Evaluation:

This Policy will be reviewed as part of the school's four-year review cycle or earlier as required.

This policy was last ratified by School Council.
